Year 5 textile artists

Year 5 children have been learning about the art of tie dying this week and have already produced some stunning pieces of work. Every child has created their own pattern on a T shirt by scrunching, folding or twisting, then using elastic bands to keep the fabric in place. After that, they applied the dye, then left it to fully penetrate the fabric before rinsing it all out, and hey presto! Absolutely beautiful work Year 5 – well done!

Superstar certificate winners this week

The following children have all worked their socks off in class and have been awarded a certificate for their great attitude to learning:

Miss Liver – Tapfuma & Muhammad

Miss Bloomfield – Hunnie & Chloe

Mrs Walker – Nevaeh & Dalton

Miss Stoves – Layton & Logan

Miss Boardman and Mr Stark – Sarah, Crystal & Amaan

Year 1 Architects

Year One have been using their knowledge of shapes, balancing and symmetry to create buildings in the construction area. They have been using their problem-solving skills to make improvements to the buildings and make them stronger and more stable. We may have some future architects in the Year One class.

Uniform

Please remember that wearing the correct uniform is very important. We expect all children to wear the full uniform at all times. We have noticed that some children are coming to school in trainers, some girls are wearing leggings and some children are wearing brightly coloured sweatshirts on PE days. None of this is acceptable.

Our uniform policy states that children wear school uniform every day, unless it is a PE day when they wear the school PE kit (which is navy shorts or joggers, white T shirt and the school sweatshirt or jumper).

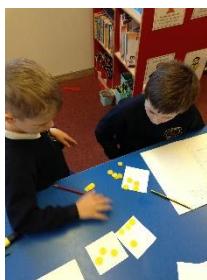

Please look at the school website if you are unsure about the school uniform. Thank you.

Seven times a week readers

Because we weren't here on Monday, we haven't calculated the number of children who have read 7 times in the last week.... but don't worry – we will be back on it next week, so keep reading!

Year 3&4 Mathematicians

Our Year 3 children have been working very hard in class on solving division calculations this week. They have worked with partners to share out counters equally to solve their problems – well done Year 3!

Clubs in school

We have several clubs running in school this half term. Please do not send your child to a club unless you have applied for a place and received confirmation that your child has received one, thank you.

Monday – Netball Club for Y5&6 from 3.10-4.10pm

Tuesday – Football Club for Y3&4 from 3.10-4.10pm

Wednesday– Football Club for Y3&4 from 3.10-4.10pm

Thursday – Hula Hooping Club for Year 2 from 3-4pm

Year 1&2 athletes

As well as joining the hula hooping club, some Year 1&2 children have been getting into shape already this term by developing their skipping skills in PE – just like hula hooping, it is not always as easy as it looks!

Fantastic Behaviour awards

The children who have impressed their teachers over the last week are:

Miss Liver – Las

Miss Bloomfield – Roman

Mrs Walker – George

Miss Stoves - Juliejane

Miss Boardman & Mr Stark – Joshua

Attendance

The class with the best attendance this week was Miss Liver's class, Miss Liver is very proud of you all. Well done everyone!

Best wishes

C. Bright, Headteacher
