

## Friday Newsletter 24<sup>th</sup> September 2021

### Year 5 Product Testers

This week Y5 children have been investigating and analysing different types of bread in their Design Technology lessons. They have looked at different key categories such as texture, taste, smell and cost. Their next step will be to design and bake their own bread – I am looking forward to tasting that!

### School Lunches

Please be aware that some of the food distribution disruptions that major supermarkets are experiencing have also affected the school kitchen, meaning that some items might be difficult to get hold of. This will have a very limited effect on school lunches – it just might mean that our super school cook will swap some items for others.

### Superstar certificate winners this week

The following children have all worked their socks off in class this week and have been awarded a certificate for their great attitude to learning:

- Mrs Tattersall – Lucas and Louisa**
- Mrs Walker – Olivia-Mae and Lewis**
- Miss Boardman and Mrs Pullen – Faheem and Victoria**
- Miss Liver – Kian and Tochi**
- Miss Stoves – Jayden D and Christina**

### Year 2 Mathematicians

It is vital that children learn their times tables as early as they can as it helps them to solve lots of different problems with speed and confidence. Children in Year 2 have been practising their 2, 3, 5 and 10 times tables. If you have a child in Year 2, why not ask them to show off their skills to you at home...and if they are a bit rusty, perhaps you could practise with them too!

### Fantastic Behaviour awards

The children who have impressed their teachers over the last week are:

- Mrs Tattersall – Muhammad**
- Mrs Walker – Olivia**
- Miss Boardman & Mrs Pullen – Jadon**
- Miss Liver - Ruvarashe**
- Miss Stoves – JayJay**

### Year 5 artists

Year 5 children have been learning about the reproductive parts of flowering plants in their science lessons. This week they used watercolours to sketch and paint different flowers, looking carefully at the different shades of colour and shapes they could see. The artwork that the whole class produced was wonderful and Miss Liver was very impressed with how carefully they worked. Well done Year 5

### Seven times a week readers

Some children have been practising their reading at home every day, and it is having a real impact on their reading in school – well done. Those reading superstars are:

**Mrs Tattersall's class** – Lucas, Alfie, Ruby S

**Mrs Walker's class** – Emily, Dalton, Teddy, Kyle, Jakson, Isabella, Thaaranka

**Mrs Pullen & Miss Boardman's class** – Hollie, Ellie-Mae, Miah, Esme, Jessica, Jacob, Mason, Kai and Kayden, Amaan, Adam, Joshua

**Miss Liver's class** – Lily, Ava H

**Mrs Stoves' class** – Callum, Ibnu, Jamie, Kavishan, Millie, Vivian

### Attendance

The class with the best attendance this week was Year 5 – well done! Miss Liver is very proud of you all.

### Year 3 singers

Our Year 3 and 4 children visited Lancaster Priory last week to join children across the district in a festival of music and singing. Our children behaved brilliantly, sang their hearts out and represented our school well – fantastic work Years 3 and 4, we are proud of you!

Best wishes

C. Bright, Headteacher
