Year 6 SATs Superstars

Year 6 children have finally finished their SATs this week. Every single child has worked their socks off and done their best, working in such a mature and sensible manner. We are all very proud of them. The children are looking forward to catching up on all of the exciting lessons they have missed while they were having to revise, as well as their upcoming trip to London later this term. We hope that you enjoy the rest of the term Year 6!

Seven times a week readers

Some children have been practising their reading at home every day, those reading superstars are:

Miss Liver's class – Leo, Lily B, Tapfuma

Mrs Walker's class – Thaaranika

Miss Boardman & Mr Stark's class – Hollie, Poppy, Amaan, Tyler, Esme Kai

Miss Bloomfield's class – Maisie, Hunnie, Ruva

Miss Stoves' class – Callum, Daria, Jamie, Kavishan, Millie, Vivian, Oliver

Miss Liver's Historians

As part of their history topic they have been finding out about the Great Fire of London. They have been developing their skills in identifying key areas of London on a map from 1666 and using their small world resources to recreate Pudding Lane.

Superstars Certificates for outstanding work

The following children have all worked their socks off in class and have been awarded a certificate for their great attitude to learning:

Miss Liver – Nellie & Las

Miss Bloomfield – Alexis & Tulisa

Mrs Walker – Kyle & Bobby H

Miss Stoves – Millie & Ahmad

Miss Boardman and Mr Stark – Hollie & Victoria

School Photographs

Our school photographs are now on the Tiny Pixels website for prents to view, however each class will need a password to view their child's class. We will text parents the password for their child's class soon.

Fantastic Behaviour awards

The children who have impressed their teachers over the last week are:

Miss Liver – Karson

Miss Bloomfield – Hunnie

Mrs Walker – Bryan

Miss Stoves – Vivian

Miss Boardman & Mr Stark – Sarah

Year 3&4 Musicians

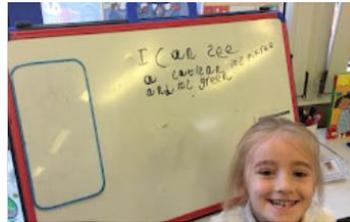

Year 3&4 children have been enjoying their music lessons this term and have all been learning to play the glockenspiel to accompany the songs they have been learning in class. They can now play the notes 'c', 'd', 'e', 'f' and 'g' and Mr Stark is very impressed with their progress.

Mrs Walker's Botanists

The children in Mrs Walker's class have been plant detectives this half term. They have been discovering what is the same and what is different about the plants around us. Today the children looked at the purpose of roots and learnt the difference between tap roots and fibrous roots. Here some boys are using a magnifying glass to look at different types of leaves.

Miss Liver's fantastic writers

Reception have been developing their understanding of building words and sentences. We have been using the playdough to make letters and then using them to create words. In our mini classroom role-play area the 'teacher's board' has been very

popular for writing sentences on – it looks as though we may have some budding teachers in the class!

Attendance

The class with the best attendance this week was Mrs Walker's class – Mrs Walker is very proud of you all. Well done everyone!

Teacher Training Day

Just a reminder that next Friday, 20th May, school will be closed for the day due to a teacher training day. We will reopen the following Monday at the usual time.

Queen's Platinum Jubilee

Because the official day for the Queen's Platinum Jubilee falls within the half term holiday, we will be celebrating the Queen's Jubilee on the last day of term. We are busy planning lots of fun activities for the children and are also planning to have a whole school 'street party' on the playground. It would be lovely if families could send children into school wearing red, white and blue clothes on this day.

Best wishes

C. Bright
