Prize-giving Ceremonies

We were delighted to see so many children and parents at our very own version of the Oscars both yesterday afternoon and last night. There was glitz and glamour aplenty during the evening with everyone dressed to impress, and shiny silver cups on offer for those children who had excelled in their category. Our super team of Year 6

waiters kept everyone topped up with canapes whilst they drank their fizz and waited for the arrival of the children. It was wonderful to celebrate all the successes that children have had over the year and share them with everybody.

Thank you to all the family members who came to see their children receiving their awards for the year. I hope you enjoyed the ceremonies – I know I certainly did!

Enterprise Week

Everyone in school is getting very excited about our Enterprise Week, which is coming up very soon! Each class has a budget of £50 and has to design and create a product, then market it and sell it to the public (friends and

families) at the grand Enterprise Sale. The sale will take place on Friday 15th July, so we are crossing our fingers for sunny weather, just like the last time we did Enterprise Week, when our sale in the playground was packed!

Superstars Certificates for outstanding work

The following children have all worked their socks off in class and have been awarded a certificate for their great attitude to learning:

Miss Liver – Lily & Louisa

Miss Bloomfield – Roman & Ava H

Year 3&4 Farmers of the future?

The children in Years 3&4 went to Ghyllside Farm near Penrith to learn about where our food comes from and what types of things farmers do to earn a living. They saw chickens laying eggs, sheep being shorn, a whole host of farm animals and they even go to stroke a shetland pony. The weather was beautiful and the children all had a fantastic time and behaved impeccably! Well done everyone!

Year 2 Reading Project

Here are some of the children that are taking part in the Year 2 Conservation Reading Project this term. They have made a garden reading buddy at home out of materials that they have recycled. Many of the children have also linked their reading buddy to a character from one of the books that they have read. These reading buddies are absolutely amazing children – well done!!!

Best wishes
