Year 6 London trip

Our Year 6 children have had a fantastic few days in London this week. They have walked for miles and seen so many of the sights in our capital. The highlights were going on the London Eye, visiting the Natural History Museum, seeing Buckingham Palace and going to a performance of 'The Lion King'. One of the most memorable events will be going inside the Houses of Parliament and walking past Downing Street on the day that 35 conservative ministers resigned. Cat Smith met the children in the House of Commons and mentioned us on her Facebook page. Mrs Stoves was also on Radio Lancashire this morning talking about our trip. The children all had a fantastic time – my thanks go to Mrs Stoves, Miss Bloomfield and Mrs Khalid for organising and running such a fantastic trip!

Everyone in school is getting very excited about our Enterprise Week, next week! Each class has a budget of £50 and has to design, create, market then sell a product. The class that makes the most money will win a prize. Year 5 designers

Year 5 children have designed and made some absolutely fantastic keyrings over this term. They have used a range of different stitches, added buttons and rings, and used applique techniques to decorate their keyring. The detail on these keyrings is amazing. They look splendid Year 5, well done.... I wouldn't mind one of those, so you had better keep an eye on them!

Ofsted

Ofsted visited us earlier this week to check that we continue to make progress in school. We were pleased with the evidence that they found, but outcomes of the visit remain confidential until the final report is published. Our thanks go to the many parents who supported us by sharing their positive experiences of working with us.

Best wishes
