### Y3&4 Trip to Ribchester

Our Year 3 & 4 children had a fabulous trip to Ribchester Museum this week. Their trip complemented the work they have been doing during their history lessons this term, where they have been studying the Romans. The children all had a super time and were great ambassadors for the school.

### Attendance

The class with the best attendance this week was Mrs Stoves' with 100% attendance. Well done everyone, amazing work, keep it up!

### Book Sale

We will be having our next book sale on Wednesday 4<sup>th</sup> October and every child can buy 1 book. All books are hugely discounted and cost just £1 each. The books are a super bargain, so come along to the hall after school on Wednesday and let your child buy a book from our large selection.

### Mrs Walker's Mathematicians

The children in Mrs Walker's class have been working with Base 10 (ten sticks and ones) to make different numbers up to 100. They know that 26 is made up of 2 tens and 6 ones and 85 has 8 tens and 5 ones. This Year 1 girl in the picture can be seen accessing an independent activity to extend her knowledge of the number system. Keep up the good work!

### Photographer in school

The school photographer will be with us next Friday (6<sup>th</sup> Oct) to take individual photos of the children and family groups, so please ensure your child is looking smart in their school uniform that day. If you have a child with younger siblings in school and would like a family photograph, please come into school, via the office, at

8.30am and the photographer will start with the family groups.

Best wishes
